Tom,

I'd print this--comments from John Ainsworth-- out in some form and put it in your scrapbook. Congrats!

I have had two extremely positive, conversations with Image Orthodontics, and Jenkins and LeBlanc Pediatric Dentistry.

Each has acquired over \$20,000 dollars in revenue to this point, with in excess of an additional \$60,000 in future business. Not bad for a \$5,000 investment. Each will be re-ordering postcards this fall.
